DO NOT SCALE: Detailed drawings and larger scale drawings take precedence.
DIMENSIONS: The Builder is to check and verify all building and site dimensions, levels and sewer inverts levels at connection points before work starts. All dimensions to be checked prior to the placement of orders for materials or the fabrication of work and any discrepancy, omission or error, must be reported immediately.
SPECIFICATION: The Builder is to comply with current Building Legislation, British Standard Specifications, Building Regulations etc. Whether or not specifically stated on this drawing. This drawing must be checked against any structural, architectural or other specialist documentation provided. Where the contractor substitutes materials specified by HĒPS, these will not be paid for unless agreed in writing.
TREES: Where trees are shown to be retained they should be subject to a full Arboricultural Inspection for safety. Proposed trees must be planted a minimum 5m from buildings and 3m from any utility. A suitable method of foundation is to be provided to accommodate the proposed tree planting.
COPYRIGHT: This drawing is the property of HĒPS and can not be copied, reproduced, distributed or amended without the prior written consent of HĒPS. No liability will be accepted for amendments made by others.
